

**FREE Monthly Case Reports
submitted by Dr. Cox and colleagues**

Once a month, Cox® Technic via its website (www.coxtechnic.com) will publish a new clinical case report of a patient's care with Cox® Technic protocols. These include imaging and/or patient pictures to enhance the case. Doctors may visit www.coxtechnic.com/casereports.asp to see past cases and/or request a notice via email each month that the new one is available.

For more information, contact Julie at coxchiro@verizon.net or 1-800-441-5571.
